## Work Experience

### OOYALA

Web Master 03.2011 - 08.2011

Managing and updating the website with new features, fixing bugs, and content; SEO for traffic improvements, and tracking user behavior across the website. Work with Marketing and the Creative Team to help improve usability on the website, both visually and technically.

### DISCREVOLT

Graphic/Web Design Internship 05.2010 - 02.2011

Designed and Coded various splash pages for artists pre-sale events for music albums.

### COMPTECHS

IT Internship 11.2009 - 04.2010

Tested hardware for malfunctions in PC's and restored hardware/software for future use.

### MENTOR GRAPHICS CORPORATION

Animation Director Contract 07.2009

Implement a storyboard for Android with Nucleus Demo Video for Press Event. Created 45 seconds of animation, and directed special effects/music to overlay the video.

### MENTOR GRAPHICS CORPORATION

Graphic Designer 01.2009 - 07.2010

Fixed visual elements of documents and slides. Mocked up UI concepts for consumer products.

### ICCNC

Web Design Contract 11.2007 - 01.2008

Designed and Implemented website template into Wordpress.

### MENTOR GRAPHICS CORPORATION

Flash Developer 12.2005 - 01.2006

Created Flash demo for HDL Designer Software Product, for the CD distribution to the sales force.
